

Annual Comprehensive Maintenance Contract

Benefits of the Annual Comprehensive Maintenance Contract

Quality output from any machine depends on the machine's repeat performance. To get uninterrupted quality performance, machine maintenance is a key factor. Service Quality is all the more critical when the machine is a water purifier, as it is a matter of health. BRITA India, being the manufacturers of BRITA Water Purifiers are the best people to support in maintaining these machines as total technology is available with them. In order to help BRITA's customers in getting the best throughput from the Water Purifiers, BRITA is offering the Annual Maintenance Contract for the Water Purifiers so that the customers can continue to reap the benefits of using the purified water without any hindrance.

Under this contract, BRITA INDIA WATER SOLUTIONS PRIVATE LIMITED undertakes to maintain your product used at the address registered with BRITA.

Terms & Conditions

Acceptance of ACMC depends on condition of the Water Purifier. Duration of this agreement will be ONE YEAR w.e.f. the date of receiving full ACMC payment.

1. The Water Purifier is expected to be in good working condition while accepting the contract. The same shall be certified by the BRITA Service Representative/Provider. If the product is found defective, the customer shall be required to pay the necessary repair charges to get the product in working condition and then sign-in the ACMC Agreement.
2. In the event of any breakdown of product notified by customer during the contract period, service visit will be free of charge. In case of breakdown of the product after the term of this contract, the customer will be charged for the service/repair of the product as per prevailing rates of BRITA (please see Annexure).
3. In case the customer wants to cancel the contract before expiry of the contract period, BRITA shall not be liable to refund the charges for remaining tenure of contract.
4. In case the ACMC has not been renewed within one month of expiry, the customer is required to pay Rs. 350/- as service visit charge within the municipal limit and thereafter Rs 2 for each additional km + cost of spares. However, if the customer agrees to renew the ACMC with retrospective effect (The date of expiry) then service charges will not be applicable, barring the cost of spares replaced.
5. The liability of BRITA shall be limited to providing service and replacing parts as covered by this contract. BRITA shall not be liable for any damage, death, injuries or any consequential damage of whatsoever nature to any person or property, by use or operation of the purifier. BRITA shall not be responsible for any damage caused to the machine due to flood, fire, riot, accident, breakage, improper or negligent use, tempering, leakage from pipes, voltage fluctuations etc and normal wear and tear is expected.
6. BRITA will not be responsible / liable for any defects arising from misuse, negligence accident and damage caused during shifting or transportation.

7. All mentioned Prices/Rates subject to revise without any prior intimation. And this contract is subject to "Force-Majeure".
8. This contract sets out all terms and conditions of which Brita agrees to service or cancels and supersedes all prior agreements, undertakings of arrangements, verbal or written between the parties on the subject matter.
9. BRITA has the option to terminate the service contract if purifier is serviced / repaired by any party other than authorized engineers or in case of change of ownership. BRITA's liability shall be limited to the above quoted customer only, and shall not apply or extend to any secondary or subsequent sale of the said purifier.
10. Renewal of the Service Contract, after its expiry, will be at the sole discretion of BRITA and depending upon the model/age and the condition of the purifier.
11. In order to enable BRITA to discharge its obligation under this contract, the customer shall not shift the installation from the original address. In case of change of address BRITA shall charge Rs. 350/- within the municipal and thereafter Rs 2 for each additional km extra as shifting/re-installation charges at the new address.
12. This Contract is not terminable before the expiry or transferable in the event of resale/gift to any other person. This contract is not transferable from one place to other place (valid at Installation site only).
13. In order to get the best results, it is obvious routine maintenance as per the guidelines given in manual are carried out. During the period of ACMC three (3) free Preventive Maintenance services will be offered free to all customers once every three months. During this preventive maintenance, if any part is required to be replaced but not covered under this ACMC, the cost of it will have to be paid by the Customer.
14. The customer shall provide full and free access to machines to provide service thereon
